

Yeldall Manor prayer blog

This month we are launching a prayer blog (www.yeldallmanor.wordpress.com) to complement the Prayer Diary that we produce monthly for the prayer needs of Yeldall Manor. Our blog has details of the motivation behind this idea, as well as the daily prayers themselves.

You do not need to be an experienced 'blog user' to use it: a working knowledge of the Internet is sufficient and the more you use it, the more you will get used to it. We would love to be able to join us in this new initiative.

All you need to get started is to go to www.yeldallmanor.wordpress.com and follow the on-screen instructions. Please feel free to use the comments box at the bottom of each page to let us know what you think of this idea, and also for encouragement and answers to prayers.
